

OPT

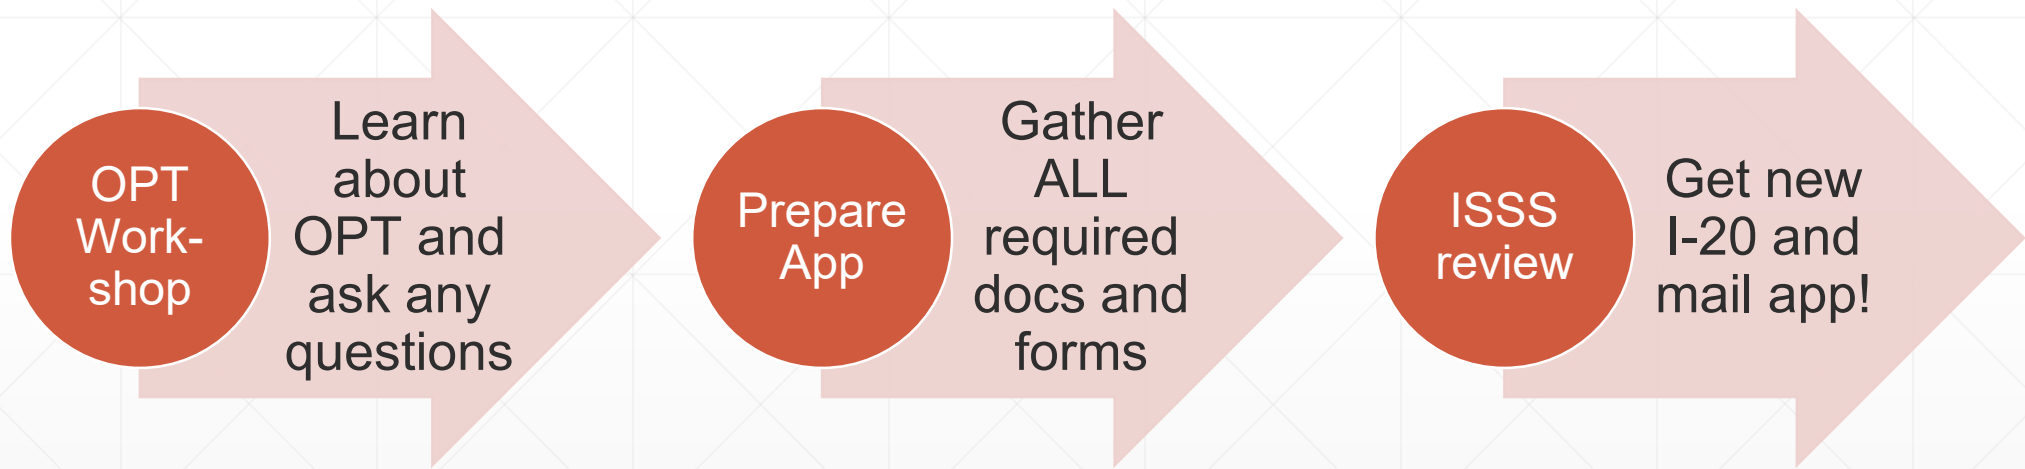

A step-by-step guide

What is OPT?

- **Optional Practical Training**
 - Work permission for **1 year** (with option to **extend 2 years** for **STEM** degrees)
 - Purpose is to gain **experience in your field**

 - One year of OPT **per degree level**
 - Must be progressively higher (i.e. bachelor → master → doctoral)
-

OPT Application Process

Don't I need a job to apply for OPT?

NO!

- Why not??
 - USCIS can take more than **three months** to review your OPT application
 - It would be **WAY TOO LATE** to apply if you waited to find a job first
-

When can I apply?

- Apply for OPT during your **last** semester at UMBC
- The **earliest** you can apply for OPT is **90 days** before your I-20 end date
- The **latest** you can apply for OPT is **60 days** after your I-20 end date

Approximate OPT timeline by grad term

	Spring grads	Fall grads
Earliest date	Feb 25	Sept 25
I-20 end date	May 25	Dec 23
Latest date	July 24	Feb 20

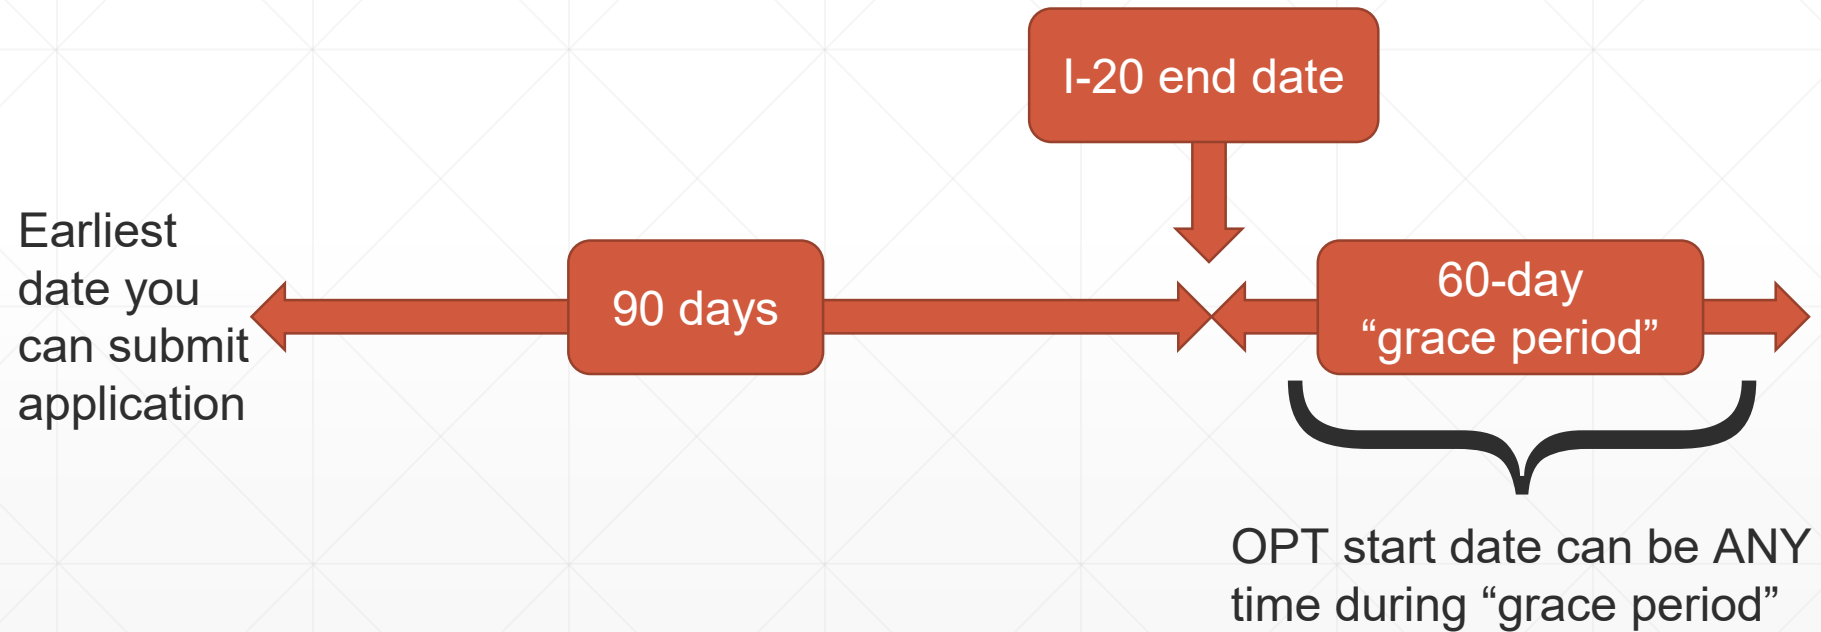

Another way to think about it

Don't wait until it's too late!

- Remember that many other students will want to apply for OPT around the same time you do
 - **OPT applications cannot be rushed**
 - We process applications as they come in, **not based on your OPT start date**
 - USCIS can take **more than 90 days** to review your OPT application
-

Choosing a start date

If I don't have a job, how do I pick a start date?

- Based on the job market or how much job hunting you've done so far
 - Allow time for **application processing** – this can take **more than 90 days**
 - Consider travel and what you might do during break from school
 - There is no way to guarantee uninterrupted work permission– be open and honest with employers!
 - **Remember: you do not have to have a job on your OPT start date**
-

OK, I've chosen a start date. Now what?

1. Review the ISSS website for application instructions and prepare your draft Form I-765.
 2. Complete and submit OPT Application through the **ISSS Portal**
 3. Invite your academic adviser to approve your application through the **ISSS Portal**
 4. Receive scanned OPT I-20 in your **ISSS Portal** account, print and sign
 5. Mail application to USCIS (with tracking!) **OR** submit online through <uscis.gov>
 6. Wait (patiently!) for approval
-

After you apply, you receive:

1. Receipt

- Usually arrives between 2 weeks and a month after submission
- *Since Fall 2020, receipts have been taking over 2 months to arrive*
- PAY FOR TRACKING when you ship your application to USCIS so you know it arrives

2. Approval notice

- Usually arrives after 3 - 4 months

3. EAD card

- Usually arrives about 1 week after approval notice

If you submit form G-1145 you should also receive email and text updates

I'm approved!

Way to go, you!

What are the rules governing my OPT time?

- You **must** be **working**!
 - The expectation is that you will be working during your year of OPT
 - You also have up to **90 days** of **unemployment** time, meaning it is OK not to have a job in your SEVIS record for up to 3 of your 12 months of OPT
 - All jobs during OPT must be **directly related** to your UMBC **degree program**
 - Part-time (< 20 hrs) or Full-time, paid or unpaid — all OK during OPT
 - You must be working at least 20 hours per week (combined) to meet these requirements
-

What are the rules governing my OPT time?

- Unlike CPT, you are allowed to change jobs at any time
 - However, you **must** update your SEVP Portal account whenever you:
 - change jobs
 - get a new job
 - end an earlier job
 - change your address
 - SEVP Portal: <https://sevp.ice.gov/opt/>

Health insurance

This is **VERY** serious:

- You will no longer be automatically enrolled in UMBC's health insurance
 - You can choose to remain on UMBC's plan by contacting uhs@umbc.edu
 - You **need** to think about this! It is extremely dangerous to be in the US without health insurance. See about options your employer might have, or consider the Healthcare Marketplaces established through the Affordable Care Act (Obamacare)
-

Continuing education

- You are free to take classes during OPT
 - But you may **not** begin a new **degree program**, or your OPT ends automatically
 - Register for courses as a “non degree-seeking” or “visiting student”
 - Degree-seeking programs would require you to transfer your SEVIS record or change your Education Level, which **automatically ends** your **OPT** approval
-

Got it. Let's do this.

Passport and visa

- Make photocopies of your current passport and F-1 student visa
 - If your F-1 visa is in an older passport, include copies of **both** old and new passport in your application
 - Your F-1 visa **can** be expired
 - Your passport **cannot** be expired
-

Forms I-20

- You should make copies of **all** the I-20s you have ever been given
- Yes, **ALL** your old I-20s
- If you cannot find one or more of your old I-20s, you should include as many as you still have
- USCIS is most concerned with I-20s that show work authorization, but remember to include all available I-20s

NOTE: ISSS does **NOT** maintain copies of all the I-20s you've been issued; that is your responsibility!

It's very important to check the USCIS website for the proper mailing address:
<https://www.uscis.gov/i-765-addresses>

Now mail it away!

Once you have your new OPT I-20 from ISSS, you can submit your application

Or file online!

Once you have your new OPT I-20 from ISSS, you can submit your application

After submitting your application...

- You might not receive your receipt for several months, which is why it's so important to use tracking on your OPT application shipment.
 - If you receive a Request for Evidence (RFE), a Notice of Intent to Deny (NOID), or your application is returned to you, you **MUST notify ISSS** as soon as possible so that we can help you to understand the response from USCIS and help you to resolve or refile, if necessary.
 - There are **very tight deadlines**, so be sure to notify ISSS as soon as possible
 - Whatever you do, do not put a denied OPT application back in the mail without talking to ISSS first!
-

Special topics

1. International travel

2. MVA/DMV

3. Ph.D. end dates

- **Before** your OPT start date, the same rules apply to international travel as when you were a full-time student. You must carry your valid passport, visa, and I-20 with a travel signature not older than 1 year.
- **After** your OPT start date, you must **ALSO** carry your EAD card, a job offer letter or proof of employment, and your I-20 signature cannot be older than **six months**.
- **After** your I-20 end date but **before** your OPT start date, no US Embassy or Consulate will renew your visa
- So be sure to consult with ISSS regarding any travel if you do not hold a valid F-1 visa

Special topics

1. International travel

2. MVA/DMV

3. Ph.D. end dates

- It can be difficult to renew your driver's license or State ID Card while your OPT application is **pending**
- When your I-20 end date has passed but your OPT start date has not yet arrived, you may have difficulty renewing your license
- Be sure to complete the **SAVE verification** online **before** you go to the MVA
- There is a link to the SAVE verification form from ISSS's website

Special topics

1. International travel
2. MVA/DMV
3. Ph.D. end dates

- Doctoral students have some flexibility in their I-20 end dates, as many students conduct ongoing dissertation research during their OPT period
- There is a type of OPT called **pre-completion**, which, as the name suggests, is OPT authorization **before** your academic program is complete and your I-20 end date arrives
- ISSS generally discourages this option when **full-time CPT** is available, but we are more than happy to discuss your options if you are an eligible Ph.D. student

Special topics

1. International travel
2. MVA/DMV
3. Ph.D. end dates

After OPT

Post-practical training options

After OPT

1. STEM OPT
2. I-20 transfer
3. Change of Ed Level
4. Leave US

- Students in **approved STEM disciplines** have the option of **extending** their year of OPT an additional **two years**
- You must submit another OPT application to USCIS **before** the end date of your post-completion OPT and **no earlier** than **90 days** before that end date
- Must show you have **earned your degree** OR that you have a thesis pending (ISSS cannot prove this)
- Can only work for employers enrolled in E-Verify
- Must submit **I-983 Training Plan** for each and every employer you work for during STEM OPT
- See the ISSS website for further information about STEM OPT

After OPT

1. STEM OPT
2. I-20 transfer
3. Change of Ed Level
4. Leave US

An important note to STEM OPT applicants:

- The very long delays for STEM OPT receipts is making many students nervous.
- We have tips on our website for documents you can present to your employer to demonstrate continuing OPT work authorization while your STEM OPT application is pending and you await your receipt from USCIS.

After OPT

1. STEM OPT
2. I-20 transfer
3. Change of Ed Level
4. Leave US

- When your OPT ends (or your STEM OPT ends, if you are eligible and apply), you have **another 60-day grace period**, during which you **cannot work** but can **legally remain** in the US
- You can choose to begin a new degree program, either at UMBC through a Change of Education Level, or at another school through an I-20 transfer
- If you do not wish to begin a new program, your F-1 status requires that you leave the US within the 60-day grace period
- Instructions on changing your education level or transferring your I-20 to another school are available on the ISSS website

After OPT

1. STEM OPT
2. I-20 transfer
3. Change of Ed Level
4. Leave US
